The Gwynedd Primary Schools Summer Menu meets the Healthy Eating in Schools Regulations (Food and Nutrition Standards) Wales 2013. And has been approved by the Welsh Local Government Association's School Food Co-ordinator.

A fresh drink of water is available to all at lunchtime. Fruit is available every day as an alternative to the pudding. Bread (without spread) is available throughout lunch. Oil free potatoes are offered as an alternative to chips and roast potato. We prepare food from the original ingredients and we do not knowingly use food that has been genetically modified.
